VERSE 1

G **Am**
Have you been to Jesus for his cleansing power?
Em **C**
Are you walking daily by the savior's side?
G **Am**
Are you fully trusting in his grace this hour?
Em **C**
Do you know the freedom that the Lord provides?

CHORUS

G **Am**
Oh come and drink from this fountain of life
Em **C**
Dance in this water and know his delight

See streams of mercy that never run dry

Come to this fountain, drink from this fountain of life
Em C
This fountain of life

Have you been to the water? Have you been to the water?
