VERSE 1

D **A/D**

I have come to see the king

G

The healer of the broken things

D **A/D**

The God who speaks into the storm

G

His words are peace for those who mourn

Bm **A**

And, when I see him, I will sing

G

God be praised

VERSE 2

I'm broken down, with battle scars

I need his love to mend this heart

That he would breathe into my lungs

And give me hope where I have none

And with the church, now, I will sing

G **A**

God be praised, be praised

CHORUS

Bm G A Bm G A

Halle - lu - jah, halle - lu - jah

Bm G A

Halle - lu - jah

Bm D/F# G A

O God be praised, God be praised

We have come to see the king

To offer him our everything

To lay our lives down at his feet

Surrounded by his majesty

And, with the angels, we will sing

God be praised, God be praised
