VERSE 1

On this dusty floor, you spoke to my heart
On this broken ground, redeeming my past
The cornerstone laid, triumphant with truth
Foundations of grace, this place is for you

CHORUS

Ho - ly is this ground we stand on
Ho - ly is this land you'll build on
We worship you, we worship you

VERSE 2

On this dusty floor, the altar was built
The sacrifice made, your promised fulfilled
A temple of hearts, and pillars of praise
A city of lights from the dust we are raised

BRIDGE

On this holy ground
On this holy ground
On this holy ground
We will worship you
