VERSE 1

G **D**
When sorrow falls like bitter rain
 G **Bm**
When faith is small, and all seems pain
 G **D**
When winter's chill would leave me cold
 G **A** **D**
O love that will not let me go

VERSE 2

This fainting soul, this wandering heart
The distance grows, the light so far
Voice soft and still that calls me home
O love that will not let me go

CHORUS

A **Bm**
O love that covers me
 G **D**
I hide myself in thee
 A **Bm** **G** **D/F#**
Take now my hand and hold me ever close
 G **D/F#** **A** **G**
O love that will not let me go

VERSE 3

A friend I've found to plead my case
My failures drowned in a sea of grace
A holy spill from Heaven flows
O love that will not let me go

VERSE 4

Devotion proved in deepest loss
A Savior moved to take my cross
But none could kill or block with stone
This love that will not let me go
