## VERSE 1

**Am** **Dm**  
When all hope is gone, and my heart is heavy  
**Am** **G**  
It's the place where every soul goes  
**Am** **Dm**  
When I look for you, you are still there with me  
**Am** **G**  
It's a peace that every heart knows  
**Dm Em**  
Every heart knows  
**F G**  
Whenever you're close

## CHORUS

**F C G Am F**  
There's a melody right here, it's written on our hearts  
**C G Am**  
Our hallelujah  
**F C G Am F**  
And we'll sing it loud and clear, as you sing it over us  
**C G**  
Oh hallelujah  
**F C G**  
Oh hallelujah  
**F G F G Dm**  
Be my hallelujah  
**F**  
I need you more and more

## VERSE 2

At the gates of hell we will call on heaven  
Can you hear the father's heart pound?  
The ground will shake, when our hearts are broken  
And with a shout you bring the walls down  
Bring the walls down  
Bring the walls down
