Incarnate for us

You set a table in our midst

G2/B

G2 A4 Bm7

G2

It would not be complete

D11

Am11

You invite us to this table

G2

G2/B

One and the same

VERSE 2

Most holy Son of Man

You've broken for us

Your bread and body, wine and blood

For the ones who seek

The ones who sought your end

The ones who mourned the dying day

Without criminals and robbers

Hanging justly accused

We might miss your forgiveness

Of one and the same

VERSE 3

Most holy Prince of Peace

Stooped down on a knee

To wash the feet of your friends

The ones who knew

Not yet what you would do

To prove the depth of your love

If not for blinded disciples

We may not know the tale

Scales fall down as our eyes open

One and the same
